Mael Tima

Mael Tima is a NYC based artist represented by Clear Talent Group. His work comes from a feeling-first mentality, with the support of musicality and dynamics. Indicative of the spaces he's trained and performed in, Mael's movement draws from commercial, concert, and theatrical spaces. The mentorship of industry greats, such as Rachel Leigh Dolan, Shonica Gooden, Jillian Meyers, and Jason Williams, continues to inform his work. He is ecstatic to premiere his newest work *MADAME*, dedicated to his Mother. Enjoy!
